NOTES:

1. Socket wrench required for seat bolt mounting
2. For optional floor or console mounting - drill and screwdriver required

Compatible with:

- BlackBerry Curve, Tour, Bold 9650 and 9700 Series Smartphones

BlackBerry brand name and Tour, Curve and Bold product names are trademarks or registered trademarks of Research in Motion, Ltd.

Do not place mount in or near an air bag deployment zone or where it will obstruct view of the road.

Floor or Console Mounting

Safety Precautions

Drilling onto the floor or console can permanently damage the vehicle. Use caution and consult a mobile install professional to avoid drilling into the gas tank, electrical system or other highly sensitive vehicle components.

Arkon Resources, Inc. is not responsible for any damages caused to your car or yourself due to the install of the pedestal mount.

For a more permanent mount, connect the Floor / Console Mount Bracket to the floor or console. This will require drilling into your vehicle's interior surface.

Installation Instructions

Passenger Seat Bolt Mounting

For a simple mount that can be easily moved to another vehicle, install using the passenger seat bolt (no drilling required).

- Step 1. Screw the flexible steel shaft into the Seat Bolt Bracket.
- Step 2. With a socket wrench, loosen the passenger seat bolt, insert the Seat Bolt Bracket, and retighten the seat bolt.

Seat Bolt Bracket

- Step 1. Position the Floor / Console Bracket and drill into the floor or console.
- Step 2. Attach the Floor / Console Bracket with screws and cover with plastic caps.
- Step 3. Screw the steel shaft into the Floor / Console Bracket.

Pedestal Head Adjustments

- Step 1. Adjust the steel shaft by bending with both hands to the desired location of the male dual T-head.
- Step 2. Use the adjustment knob (A) and wing nut (B) on the pedestal head to swivel or rotate the head position if necessary.
- Step 3. Align the female dual T-slots on the cradle to the dual T-tabs on the pedestal head. Insert device.

Connecting the holder

Slide the T-slots of the holder onto the T-tabs of the mount head.

Safety Precautions

Drilling onto the floor or console can permanently damage the vehicle. Use caution and consult a mobile install professional to avoid drilling into the gas tank, electrical system or other highly sensitive vehicle components.

Arkon Resources, Inc. is not responsible for any damages caused to your vehicle, your device, or yourself due to the installation or use of this product.
