

CM011-2 | Sun Visor Mount

Patent Pending

CM011-2
Sun Visor Mount

Package Contents:

(1) CM011-2 - Sun visor mount

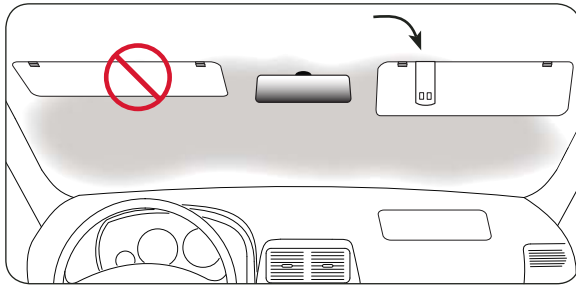

Note: Arkon **strongly recommends** using the visor mount on the passenger side sun visor. Using this mount on the driver's side visor will reduce the driver's view of the road.

Do not place device car charger cords in or near an air bag deployment zone.

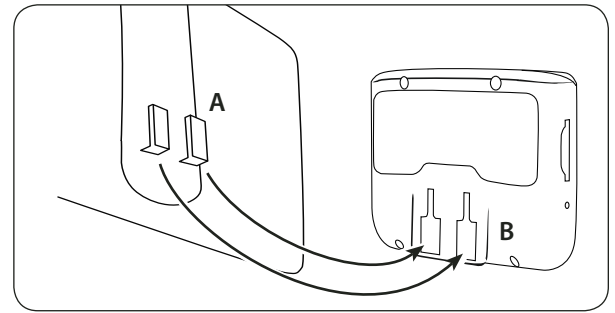

Sun Visor Mounting

Step 1. Lower the vehicle sun visor and place the clip mount over the top of the visor. Slide the mount left or right to adjust the location on the visor.

Device Attachment

Step 1. Attach your device to the visor mount by inserting the dual T-tabs of the mount (A) into the T-slots of your device (B).

Safety Precautions

It is your responsibility to place, secure, and use your device in a manner that will not cause accidents, personal injury, or property damage, or obstruct the driver's view of the road. Do not operate device while driving. Always observe safe driving practices.

Do not install in an air bag deployment zone. Arkon Resources, Inc. is not responsible for any damages caused to your car, your device, or yourself due to the use of this mounting accessory.
