Laptop Mount Installation

- Step 1. Lift open the screen to your laptop computer.
- Step 2. Hold the laptop mount with both hands and squeeze both spring-loaded clasps (A) forward until fully opened.

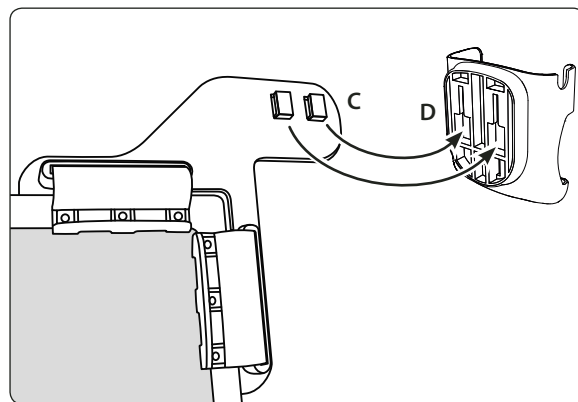

- Step 3. Slide the mount over the **upper right corner** of the laptop's screen and release the clasps. The mounting pads (B) should rest on the frame edge of the laptop's screen and **not** on the screen itself. Adjust the mount until the laptop screen is located squarely in the corner.

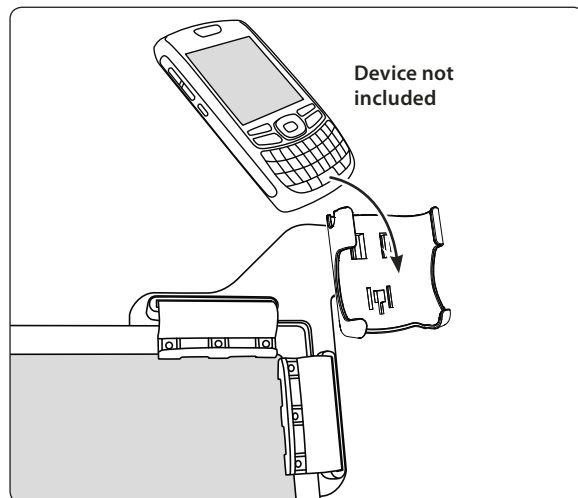

Custom Cradle Attachment

- Step 1. Attach the custom cradle to the mount by inserting the dual T-tabs (C) on the mount into the dual T-slots (D) on the back of the cradle.

- Step 2. Slide the Palm Treo (not included, sold separately) or other compatible device into the cradle.
