 TomTom Start and Ease

TomTom, ONE, GO, and EasyPort, Start and Ease are product names, trademarks, or registered trademarks of TomTom International b.v. Arkon Resources, Inc. is not affiliated with TomTom International b.v.

Visor mount for holding GPS device in convenient location. Place, secure, and use your device in a manner that does not obstruct the driver's view of the road. Do not operate device while driving. Always observe safe driving practices.

Sun Visor Mounting

Step 1. Lower the vehicle sun visor and place the clip mount over the top of the visor. Slide the mount left or right to adjust the location on the visor.

TomTom GO Adapter Plate Installation

Step 1. Attach the adapter plate by sliding it up into the slot on the back of the TomTom GO 520, 530, 630, 720, 730, 920, 920T or 930 device as shown. Attach the device as shown to the right.

TomTom ONE, ONE XL, and ONE XL-S Adapter Plate Installation

Step 1. Slide the adapter plate up into the grooves on the back of the TomTom ONE, ONE XL, or ONE XL-S.

Safety Precautions

It is your responsibility to place, secure, and use your device in a manner that will not cause accidents, personal injury, or property damage, or obstruct the driver's view of the road. Do not operate device while driving. Always observe safe driving practices.

Do not install in an air bag deployment zone. Arkon Resources, Inc. is not responsible for any damages caused to your car, your device, or yourself due to the use of this mounting accessory.

TomTom Device Attachment

Step 1. Attach the device cradle to the visor pedestal by inserting the dual T-Tabs of the pedestal (A) into the T-slots of the adapter plate (B).

TomTom Start Adapter Plate Installation

Step 1. Attach the TomTom dual-T adapter plate to the mount by inserting the dual-T tabs of the pedestal (A) into the dual T-slots on the adapter plate (B).
