Do not use excessive force to position the mount once it is attached to the windshield, as damage to the windshield may occur. Arkon Resources Inc. is not responsible for any damage to your vehicle, mount, or device when using this product.

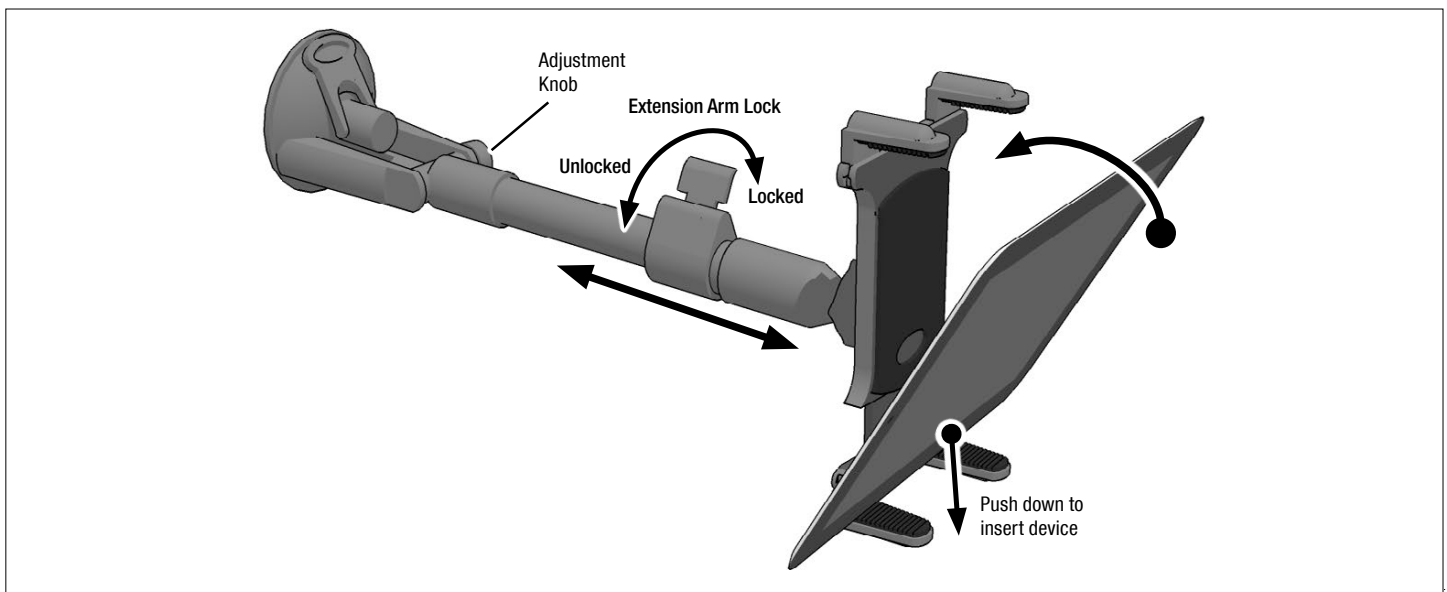

IMPORTANT: The Slim-Grip Universal Tablet Holder fits all tablets with 8.9" - 18.4" screen size. It includes 4 short, 2 medium, and 4 long support legs. Select a combination of 4 support legs in conjunction for use with the spring-loaded holder to achieve the perfect fit for your tablet.

Arkon strongly recommends positioning the windshield mount so that it rests on the vehicle's dashboard to supporting the weight of tablet. Failure to do so may result in damage to the mount, your vehicle, and / or your device. Arkon Resources Inc. is not responsible for any damage to your vehicle, mount, or device when using this product.

- 1 For best results, clean the windshield mounting surface area thoroughly with the included alcohol pad. Allow the area to dry completely. Mount to windshield and attach holder by inserting mount's Dual T-Tabs into holder's Dual T-Slots.

- 2 Adjust length of mount as necessary by unlocking extension arm. Lock arm when desired length reached. Insert device by pushing down on lower legs of spring-loaded holder.
